

## **OZSIZZLE FUNDRAISING KIT**

—

### **HELLO!**

Thank you for supporting OzHarvest by hosting an OzSizzle fundraising event.

Whilst celebrating the summer with good food, friends and family, put the great Aussie BBQ to good use by making it an OzSizzle! Give your gathering purpose by supporting those who often don't know where their next meal is coming from.

Simply host a BBQ breakfast, brunch, lunch or dinner and encourage your friends and family to donate to your fundraising page or collect cash donations at your OzSizzle.

An OzSizzle event can happen all summer long or even use an OzSizzle as an excuse to get friends together in the colder months.

**For every \$1 provided to OzHarvest, we can provide 2 meals to someone in need.**

Register your OzSizzle today. And don't forget to share your photos using the **#OzSizzle** hashtag!

## **GETTING STARTED**

To create a great OzSizzle event with maximum impact, follow these easy steps:

**1. Set a date**

Put a date in the diary for your OzSizzle! It can take place anytime over summer. Send out an invite to your friends, colleagues or community group to let people know when and where your event is happening.

**2. Set up your fundraising page**

Jump onto <https://events.ozharvest.org/ozsizzle> to set up your online OzSizzle fundraising page. You can set up an individual or team page, depending on how you are hosting your event.

Online fundraising is the easiest way to collect donations securely with no need for cash handling.

You can also collect cash donations at your event and deposit them directly to OzHarvest (refer to banking details on page 4)

**3. Get the gang together**

Fundraising as a team is more fun! Get others involved and delegate jobs to help you pull off a fantastic event. For example, you could allocate someone to focus on food, someone on fundraising ideas, someone on getting prizes donated.

**4. Enjoy the day!**

After working this hard, make sure you enjoy your OzSizzle, knowing you are helping OzHarvest to Nourish our Country.

**5. Bank and Thank:**

Saying thank you is so important. No matter how big or small, thank everyone who supported your Ozsizzle event.

All monies should be deposited no later than two weeks after the event. Please refer to the banking details on page 4 and be sure to let OzHarvest know how much you raised via email to [donate@ozharvest.org](mailto:donate@ozharvest.org).

## **HOSTING AT WORK**

Hosting an OzSizzle at work is a great way to bring the team together for a good cause. Why not have some fun and get creative to liven up an office lunch or team building event, and boost your fundraising. Here are a few ideas:

- Get your boss cooking and serving up lunch, maybe in a novelty apron for some great photos!
- Run a raffle by getting team members or local businesses to donate raffle items
- Alternative auctions are a great way to raise more money. Get everyone to think of something quirky or useful to donate – from doing the coffee run to DIY – have fun with the bidding as you auction off everyone's time and skills!
- See if your organisation has a match-funding program, where companies match dollar-for-dollar the amount employees raise for charity. An easy way to double your dollars!

## **HOSTING AT HOME**

There are some easy ways to raise money and create a great Ozsizzle for friends and family at home.

- Ask for an entry fee donation for your guests to enjoy a yummy BBQ.
- Bring a plate to share – others can contribute by bringing nibbles, salads or deserts.
- Rally up some local business support and see what great items you can get donated. Sell raffle tickets to your friends and family and watch your fundraising efforts grow!
- Invite your guests to bring along a plus 1 – the more people that come along, the more money you can raise!

## **HOSTING IN THE COMMUNITY**

Some supermarkets and retail outlets are often happy for you to host a BBQ at your local store, so why not approach them to see when they have a free weekend. Slots are often in high demand so check well in advance.

Local retailers will often donate the food for your BBQ if you let them know you are doing an OzSizzle to support OzHarvest!
